

Profile	Senior Graphic Designer specialising in editorial, brand and information design for education and public-sector organisations. Experienced in developing large-scale publication systems, visual communication resources and accessible design outcomes across print and digital formats. Combines concept-driven design with strong production expertise, delivering projects from development through to final delivery across studio, freelance and government environments.
Capabilities	Design Leadership & Creative Direction Leads projects from concept to final delivery across print, digital and campaign design, balancing communication goals with brand consistency. Strategic Visual Communication Develops clear, audience-focused visual systems grounded in accessibility, research and organisational requirements. Brand Systems & Publication Design Builds scalable templates, guidelines and design frameworks that support consistent long-term use across teams.
Technical Expertise	• Design systems, templates and scalable publication workflows • Editorial, information and publication design for complex content • Print production and pre-press preparation from concept to final artwork • Workflow optimisation, automation and production efficiency improvements • Stakeholder collaboration, mentoring and cross-team knowledge sharing • Adobe Creative Cloud: InDesign, Illustrator, Photoshop, Acrobat • Illustration, painting and hands-on prototyping practices
Employment Experience	Independent Designer 2006 – Present Maintaining an active studio painting practice alongside freelance and self-directed design projects. Victorian Curriculum and Assessment Authority (VCAA) Senior Designer Aug 2023 – Feb 2025 • Led full redesign of VCAA examination papers, improving accessibility across formats • Introduced automation tools and InDesign templates to streamline production workflows • Mentored staff in layout standards and alternative format integration • Developed scalable document systems for consistent exam production across multiple formats • Maintained visual consistency and quality across a range of exam types and delivery outputs Outcome — Established new layout and editorial proofing standards used across more than 100 written examination papers and associated production materials. <i>You have contributed to the VCAA in so many ways and have improved the ways in which we work ... Thank you for your commitment.</i> — Executive Director of Curriculum, VCAA
